Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

Government of India, Ministry of Home Affairs in its letter No.16/9/2005-Judl&PP dated 30th March, 2010 regarding procedure to be followed in processing State Legislation requiring references to Central Government, made it clear that, since there is no Constitutional requirement for seeking prior approval of the Central Government before introduction of a Bill in a State Legislature, the issue has been reconsidered by the Government and it has been decided that the State Governments need not send legislative proposals to the Government of India seeking prior approval for introducing the Bills in the State Legislatures. And further the decision taken on the above lines have been communicated as “State Governments are required to submit the proposals only if the bill after having been passed by the State Legislature is reserved by the Hon'ble Governor for the consideration/assent of the President,” towards the attention of all concerned.

The decision of the Government of India is seen differs with the provision laid under sub-rule (2) of rule 49 of Rules of Business of Government of Kerala. Hence the Government have decided to amend the Rules of Business of Government of Kerala for the said purpose.

The notification is intended to achieve the above object.
